

CAT5E UTP LAN Cable

CAT5E unshielded twisted pair, 4 pairs of 0.50mm bare copper with HDPE insulation, 100+/-15 ohm, 100MHz bandwidth, 100Base-TX Ethernet, PVC/LSZH jacket options, TIA/EIA-568B and UL444 compliant for structured cabling.

CAT5E UTP | CAT5E/CAT6/CAT7 Network Data Cable

Custom lengths, connectors and pre-assembled jumpers are available. Send us your specification for a quotation.

SPECIFICATION

Model	CAT5E UTP
Inner conductor	4 pairs 0.50mm bare copper
Dielectric	HDPE insulation
Outer conductor	polyester ripcord
Jacket	PVC jacket (OD 5.2mm)
Category	CAT5E/CAT6/CAT7 Network Data Cable
Options	Custom length, connectors and pre-assembled assemblies

Product description

CAT5E unshielded twisted pair, 4 pairs of 0.50mm bare copper with HDPE insulation, 100+/-15 ohm, 100MHz bandwidth, 100Base-TX Ethernet, PVC/LSZH jacket options, TIA/EIA-568B and UL444 compliant for structured cabling.
