

CAT5E FTP LAN Cable

CAT5E foiled twisted pair, 4 pairs of 0.50mm bare copper, HDPE insulation, Al/polyester foil shield with drain wire, 100+/-15 ohm, 100MHz, strong EMI immunity, 100Base-TX Ethernet, TIA/EIA-568B and UL444 compliant.

CAT5E FTP | CAT5E/CAT6/CAT7 Network Data Cable

Custom lengths, connectors and pre-assembled jumpers are available. Send us your specification for a quotation.

SPECIFICATION

Model	CAT5E FTP
Structure	4 pairs 0.50mm bare copper+HDPE insulation+Al/polyester foil shield+drain wire+PVC jacket (OD 5.8mm)
Category	CAT5E/CAT6/CAT7 Network Data Cable
Options	Custom length, connectors and pre-assembled assemblies

Product description

CAT5E foiled twisted pair, 4 pairs of 0.50mm bare copper, HDPE insulation, Al/polyester foil shield with drain wire, 100+/-15 ohm, 100MHz, strong EMI immunity, 100Base-TX Ethernet, TIA/EIA-568B and UL444 compliant.
