

CAT6 UTP LAN Cable

CAT6 unshielded twisted pair, 4 pairs of 0.57mm bare copper, HDPE insulation with cross separator to reduce crosstalk, 100+/-15 ohm, 250MHz, 1000Base-T Gigabit Ethernet, TIA/EIA-568B and UL444 compliant.

CAT6 UTP | CAT5E/CAT6/CAT7 Network Data Cable

Custom lengths, connectors and pre-assembled jumpers are available. Send us your specification for a quotation.

SPECIFICATION

Model	CAT6 UTP
Inner conductor	4 pairs 0.57mm bare copper
Dielectric	HDPE insulation
Outer conductor	cross separator
Jacket	PVC jacket (OD 6.3mm)
Category	CAT5E/CAT6/CAT7 Network Data Cable
Options	Custom length, connectors and pre-assembled assemblies

Product description

CAT6 unshielded twisted pair, 4 pairs of 0.57mm bare copper, HDPE insulation with cross separator to reduce crosstalk, 100+/-15 ohm, 250MHz, 1000Base-T Gigabit Ethernet, TIA/EIA-568B and UL444 compliant.
