

CAT6 FTP LAN Cable

CAT6 foiled twisted pair, 4 pairs of 0.57mm bare copper, HDPE insulation, cross separator with Al foil shield and drain wire, 100+/-15 ohm, 250MHz, strong EMI immunity for 1000Base-T, ideal for data rooms and noisy environments.

CAT6 FTP | CAT5E/CAT6/CAT7 Network Data Cable

Custom lengths, connectors and pre-assembled jumpers are available. Send us your specification for a quotation.

SPECIFICATION

Model	CAT6 FTP
Structure	4 pairs 0.57mm bare copper+HDPE insulation+cross separator+Al foil shield+drain wire+PVC jacket (OD 6.3mm)
Category	CAT5E/CAT6/CAT7 Network Data Cable
Options	Custom length, connectors and pre-assembled assemblies

Product description

CAT6 foiled twisted pair, 4 pairs of 0.57mm bare copper, HDPE insulation, cross separator with Al foil shield and drain wire, 100+/-15 ohm, 250MHz, strong EMI immunity for 1000Base-T, ideal for data rooms and noisy environments.
