SPECIFICATION

Model	CAT7 S/FTP
Inner conductor	4 pairs 0.58mm bare copper (23AWG)
Dielectric	pair Al foil shield
Outer conductor	overall braid shield
Jacket	LSZH jacket (OD 8.0mm)
Category	CAT5E/CAT6/CAT7 Network Data Cable
Options	Custom length, connectors and pre-assembled assemblies

Product description

CAT7 S/FTP cable, 4 pairs of 0.58mm bare copper (23AWG), individual pair foil shields plus overall braid, 100 ohm, 600MHz, 10GBase-T, LSZH jacket, ISO/IEC 11801 Class F compliant for data centers and premium cabling.
